Amber and Dani like what they call peak experiences. Moments that make life worth living. Like body wrecking orgasms, the kind that make a girl scream loud enough to shatter the silence of the house up the hills of Malibu. They'll jolt, jerk and shutter merely from the rhythmic motions of their own hands. It just proves that the sex drive is a force of human nature.

A photograph of two young women, Amber and Dani, in a kitchen. They are both smiling and kissing each other on the lips. Amber, on the left, is wearing a maroon ribbed long-sleeved crop top and dark brown shorts. She is holding a silver and black thermal mug. Dani, on the right, is wearing a bright pink ribbed long-sleeved crop top and a black skirt. She has her hand on Amber's hip. The background shows wooden kitchen cabinets and a countertop with a microwave and other items.

BLAIR-NTS-03

## the cook knows best

It was my first date with Lillian, one of those “maybe she’ll show up, maybe she won’t” things. You never know with a woman, but at least I wasn’t standing on a street corner somewhere. I was cooking us up a meal of roasted chicken, corn on the cob, green beans, and mashed potatoes. Real man food.

Lillian’s eyes were already lit up when I opened the door thanks to the smells wafting from my apartment. It turns out she loves homemade mashed potatoes, and in about 20 minutes I was going to find out just how much. After some polite conversation and a glass of wine there was a tug on my pants underneath the kitchen table. There was no break in the conversation. Lillian put a forkful of chicken breast into her mouth while she tugged at my open fly. I swallowed hard as she pulled my cock out of it’s trouser cage. Her fingers gently worked their way up and down my shaft, caressing the underside of my head. My end of the conversation dropped to low moans and quick sips of wine. I was squirming in my chair.

After at least 15 minutes of this delicious foreplay, Lillian told me to stand up. I did so and she said that this was the first time a man had ever cooked for her in, and that these were the best mashed potatoes she’d ever had.

But they needed some cream, she said my beautiful blonde bank teller proceeded to pull my cock over her plate, and jerk me off – with butter for lubricant. Her silky grasp slithered up and down my throbbing cock. Clearly, this wasn’t the first hand job she’d ever given, but I didn’t care what her sexual history was, I just didn’t want her to stop! I was trembling, my khakis down around my ankles. Lillian purred and jacked me off directly into her mashed potatoes, the little gold trinkets on her bracelets slapping against my balls on the downstroke. I shook and quivered

as she pumped every last dribble of jizz deep into the mashed potatoes. Then she rubbed the head of my cock around in them. She told me I was a very good boy and that she’d be giving me dessert soon after she finished her dinner. Lillian proceeded to eat every smidgen of those potatoes, licking the fork clean.

Soon, her pink dress went up right over her head to reveal that her pubic hair was trimmed into the shape of a dark brown heart. Her hand rewrapped itself around the base of my meat stick. This fucking nympho couldn’t get enough and I was more than ready to give her all that she could handle.

I was hard again in an instant and she mounted me, straddling the chair there was no doubt who was fucking who here, and fuck me she did, hard driving her pelvis down onto my lap. She was completely into it. Her pert full breasts bounced in time with her rhythm, as did the gold chains around her

## banker bang

that's something I'm not ready for just yet. Now that that's out of the way, I can tell you and my little adventure within a week of splitting with my ex.

I was by the pool at my apartment complex talking with this dude and lamenting about not being laid in a week since 'my girlfriend left me.' He laughed at it being only a week and I told him I was real horn dog, and wanted it bad all the time. He told me that he'd get me some hot pussy. Not just one, but two chicks. I laughed and said, "Yeah right." Who goes around knowing two hot pussies willing to fuck a stranger?

For me, it's now another week without pussy when the guy by the pool calls and says he has a 50-foot catamaran anchored at the marina. He asked if I wanted to go out on the ocean with him. No mention of girls, but I agreed anyway. Got to the marina and found him and his boat. Not bad, I thought. It was a double-hulled beauty with a small cabin on top of it. Nothing fancy but nice. A small deck went around it and I stepped on and we set off onto the still waters of the gulf.

We get out past the breakwall and he turns off the engine and offers me a beer as we drift. I settle back on a built in bench and take in the sights. A moment later a half naked girl comes out of the cabin. She is topless with great breasts and figure and is really pretty to boot. She bends down and takes two beers and introduces herself as Caira. My mouth is hanging open, and it gets even wider as another smokin' hot chick comes out of the cabin with just a bikini top on. It must be the other half of Caira's. Her name is Skylar. No way is this really happening, I thought to myself.

wrists. I was gripping her hips with both hands. It was the deep groaning in the back of her throat when she came that got me off. Every muscle in her back tightened and I rocked back with a wave of orgasm. I shot my load deep inside her pussy as it gripped and pulled on my cock like a hungry mouth.

Lillian laughed and got her breath back. Wiping sweat from her forehead, she asked me what I thought of dessert. I told her if this was dessert, I wanted seconds.

– Clark, *In my Kitchen*

**Sometimes one-on-one relationships** are much harder than they should be. I mean, it's only one person, but that can be a major handful and

---

*My mouth is hanging open, and it gets even wider as another smokin' hot chick comes out of the cabin with just a bikini top on. It must be the other half of Caira's.*

*I look down to see two hotties sucking on my cock. Then look over to my host and his girlfriend is doing the same. Damn! I thought to myself.*

We both watched as Caira undid Skylar's top and pulled it off. Then, I kid you not, a third girl comes out, totally nude and goes over to my host and cuddles with him. I hear her say "Is this the guy?" He nods. She introduces herself as the longtime girlfriend. No name, just girlfriend. Then she says, waving her arm across her chest, "These two are for you." With that, Caira and Skylar come over to where I'm sitting and, in unison, each puts a hand on my thighs and up my board shorts. One grabs my cock and the other my balls. Pulling their hands out they pull down my shorts leaving me in just my sandals. His girlfriend says to the girls, "Wow, that's a big cock, but how does it taste?" The two girls then kneel in front of my hard dick.

Skylar says, "This is a sure pretty cock and it sure tastes good. Wow! I can barely get the thing in my mouth. You have a bigger mouth, you try it..." to Caira who then starts sucking on my cock. "Mmmmm." she says, and Skylar joins her. I look down to see two hotties sucking on my cock. Then look over to my host and his girlfriend is doing the same. Damn! I thought to myself. Then Caira sits on the bench seat up front and Skylar guides my hips over to her so she can continue sucking me. Skylar then pushes my shoulders

down so that I have to catch myself on the railing just behind Caira's head. She then kneels down behind me and reaches between my legs and grabs hold of both my balls.

With her other hand she opens Caira's legs and sticks a long finger into her friend's wet pussy. I'm holding onto the railing with both hands so I don't fall over or overboard. This is un-fuckin-believable, I think to myself. But I don't revel in my pleasure for too long.

Suddenly, Skylar takes the finger she just had in Caira's pussy and sticks the tip in my butt hole. I jerk forward, cock deeper into Lisa's mouth. Then Caira reaches behind me and holds my ass cheeks open as Laura twisted her finger in further. I bite my lip thinking I have to take it or this might end. As a matter of fact it felt good and I pumped hard into Caira's mouth as Skylar fucked my butt with her finger.

I exploded all over Caira's face and Laura came around front to lick it off her as I watched. When they finished, they went over to the girlfriend and helped her finish off the host. Fuckin-A, I thought to myself! I need me a damn boat!

Nicole is the gorgeous, doe-eyed blonde who speaks fluent Lesbianics, the language of Sapphic love. Right now, her beautiful blonde girlfriend Kiara here how to master the new tongue. Fortunately, she's a smart girl, and learns fast. Pretty soon their two voices trail off into unintelligible grunts and groans. According to our Sapphic dictionary, that translates to 'I'm cumming!.'

We have really busy lives and find it hard to carve out a little time for our husbands anymore. We grew more and more apart and we found we liked our freedom. But what we found is that we really like playing with each other. As best girlfriends, we've been doing each other since, well, for a long time. We'd get naked and play with each other's clitties. Now we've graduated to strap-ons!

# how to cool off when things get hot

**S**o now I'm living in the 96 degree Atlanta heat and 94% humidity, listening to music and dancing around with nothing but my boxers on waiting for my beer to chill. I'm staying home from work because my air conditioning wasn't working and I needed relief. I had called a few days ago to a company, but they said they were booked solid because of the hot weather. Apparently, everybody's AC decides to break at the same time. Through the music, somehow I heard a knock on the door. I answer it and find a cute thirty-something lady in uniform standing there in an oversize company hat and holding a tool kit by her side.

How obvious, but I had to ask, "Are you the, uh, repairman?" Her eyes were fixated on my chest and glanced down at my boxers. She looked up and said, "Yes, I'm Garnet." she said pointing to her name tag. "I understand your AC's out." "Yep." I say and invited her in. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably needed to cool off, so I offered her a glass of ice cold lemonade.

As she entered the house she sniffed air and the sweet smell. She asked if that was a cake she smelled. I told her I was an apprentice chef and was going to have my baking test this Friday. She wished

me luck and asked where the air conditioner was. I led her to the garage and she got to work. About twenty minutes later and a gallon of sweat, she comes back into the house and says she's finished. She goes over to the thermostat and turns it to cool.

While we were waiting to be sure it was cooling properly, I asked if she would be my guinea pig and have a piece of my cake and tell me how she liked it. She looked at her watch and said she had a few minutes since her lunch time was here and her next appointment was in an hour. She put down her bag, took off her cap and sat at the kitchen island. Her dirty blonde hair came falling out of her cap as she took it off. She unbuttoned her top button, fanning the collar on her blouse. What a little hottie, I thought to myself.

I walked to the fridge to get more lemonade. She said she preferred milk with cake. I looked and smiled at her and said I did too. I offered her one along with the drink. I had taken out the cake when she was in the garage and it had cooled enough. I sliced a piece for each of us and set them out. She forked a piece and savored the taste in her mouth. She smiled and said it was delicious. Humbly, I agreed with her and took another sip of milk to wash down my bite.

*They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission only after it was off.*

---

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another piece. She said "Yes." but had to get going after that. I placed another down on her plate and I began to get another for myself. She said she shouldn't finish the second one, holding up her forkful, offering the remainder to my mouth. How forwardly sexy, I thought, as I moved in for a small bite, mouth open and tongue sneaking forward.

I noticed that she noticed and caught a little smile from her. I took the bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like a slice to take with her but said it would probably melt in the service van. But to my pleasant surprise, asked if she could come over tomorrow to show her how to make one. I said she was welcome to come after three when I would have returned from class. She said that would be great, and this time she'd bring the milk because we had finished mine.

The next day I headed off about nine in the morning with another red velvet cake and plum torte. All of the chefs made tasty treats and it was fun to taste them all. About two pm I headed home to clean up before Garnet came over. Right at three there was knock at the door and opening it, there stood Garnet, who brought a lady friend just as cute as her. Both were wearing shorts and tank tops because of the

heat and their incredible cuteness.

"Hi, Kevin, this is Ruby. I hope you don't mind that she's with me today. She also wants to learn how to make and bake a cake, too," said Garnet. "No problem, please come in." I said as they brushed past me into the house. They head to the kitchen and Garnet goes right to the fridge to put in the gallon of milk she promised. Ruby saw me checking her out as Garnet bent over to find a spot for the milk. Embarrassed, I looked at Ruby apologetically and she just smiled. After some small talk, we started making the cake. I watched as the two ladies deftly handled the spatulas and electric mixer. After about fifteen minutes the batter was ready and into the cake pan it went. And an hour later it was ready. As we waited for the cake to cool, they said they were roommates and had been living in Marietta for five years before moving to the Buckhead area.

The cake had cooled and the three of us were heating up. This time Ruby goes over to the fridge to get the milk as Garnet cuts the cake. I serve them up and we all have a taste. Complimenting each other on how good it tasted, we all decide to have seconds.

After the next pieces disappeared, the girls commented on how hot the kitchen had become from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission only after it was off. They laughed

and started stripping off their pants, too. In heated anticipation, I cleared the table of the plates and glasses but left the cake nearby.

Then Garnet turned to me, unbuttoned my pants, and pulled my cock out. She put one hand around it and then Ruby put her hand on top of hers. She leaned forward and took the head of my cock in her mouth. As the two women squeezed it, a glob of precum oozed out and Garnet slurped it up.

Ruby got behind me and quite deftly guided my cock to Garnet's slick pussy when she stood up from the bj. Garnet moaned as I pushed forward; she pushed back against me. Garnet eventually stood and took me by the hand and led me back into the bedroom. Ruby followed and then took the lead. In the bedroom I felt her warm breath as her lips enveloped my cock and she easily slurped my cock into her mouth.

My knees were weak as I felt her throat contracting around my cock for what must have been a minute or two but felt like forever. Garnet pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet pussy once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy. When she finally lowered herself onto my cock, it was like I was sliding into a tub of warm butter. She rested there, impaled on my cock for some time. I could feel her vaginal muscles start flexing and contracting around me as she squeezed and relaxed them.

I was delirious with the pleasure these women were giving me. With Garnet riding me, Ruby climbed onto the bed and straddled my face. I reached up and squeezed her breasts with both hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Garnet. When she did Garnet started to flex her hips grinding and riding up and down on my cock. It wasn't long before I was spurting my hot cream into

her wonderful, magical pussy. But that was not to be enough.

Ruby's pussy was hot and wonderful too. When she slipped off my face, she pushed Garnet off me and slid onto my cock. It was only seconds before I went from semi to rigid as her tight pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them when I could with my teeth as she picked up her tempo until she was slamming her pussy down on my cock. I felt Garnet's hands grab my balls and begin massaging them as I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Ruby riding me like a cowgirl. Ruby gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes. Garnet laid next to us gently caressing my balls and slipping a finger or two into Ruby's wetness.

Ruby managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Garnet and says that this would go great with milk and cake! She tells me to get the rest of it. We were going to have us another red velvet party!

In unison, these ladies say they love playing with themselves. They love to masturbate together and run fingers all over their sexy body parts, like pinching nipples hard until they're very sore. And licking pussies until they are wet and finally climax. They discovered that playing with each other felt really good. They used to let guys do all those things. Not anymore.

# *Pleasure Bunny & Kapri*

We just got back from a shopping spree at our favorite sex toy store just off the Vegas Strip. The selection is amazing and we got some new things we hadn't seen before. One is a long, thick black vibrator with all sorts of veins on it, and a matching eighteen inch double dong. On our way out, Bunny found a long brown dildo and a cute lavender belt for it. We just had to have it.
